

# Latíit'aal

**laíit'aal**- March. **laíi**-is a s-class verb stem for “to bloom”. The flowering season. The renewal of another growing season when new plants emerge and bloom, with **'iceyéeyenm sílu**, buttercups, the first plants to sprout bright yellow flowers. **wáispoꝑoꝑ**-Robins also make their initial appearance.
