Nez Perce Tribe Scholarship Loan Agreement Contract

I, the undersigned, do hereby state that I have read the Nez Perce Tribal Executive Committee Resolution, NP 98-354 and the amendment, and agree to the terms and conditions set forth in the resolution.

I understand that the Nez Perce Tribal Scholarship is a grant only when I have successfully completed the semester that I have been funded. I also understand that successful completion is maintaining a 2.00 GPA or better and completion of 12 credit hours for the funded semester.

If I do not successfully complete the funded semester, I agree to repay the amount funded through a contracted repayment plan or shall forfeit all per capita payments, lease, or rental monies which I may be entitled, until the total amount is repaid. I understand that I will not be eligible for funding until I have met this repayment obligation.

I expressly authorize and direct the Secretary of the Interior or his fully authorized representative to pay to the Nez Perce Tribe such amount of money from my per capita, lease or rental payments if I am unable to repay the scholarship debt obligation through other sources. I further agree and demand that in case of my death this assignment and authority shall constitute a claim against trust funds, income or trust property superior to that of my heirs.

I further understand that this document is in effect throughout the academic year and I will renew it upon enrollment in each subsequent academic year.
