

PATHWAYS TO BUSINESS

Register today for a unique, online class created to help you through the business development process. This class is designed for those who have a business idea and are ready to start laying the foundation for putting a plan into action to start their business.

In this workshop you will learn how to:

- Set SMART goals for business development
- Create a business plan
- Conduct market research
- Choose the right legal entity for your business
- Obtain financing
- Legalize your business through the state and tribal government

This workshop is FREE and open to all Native entrepreneurs of all ages.

This workshop will be delivered online utilizing the Zoom platform. The workshop can be taken on computers and smartphones. The class will take place over 4 sessions starting at 10:00 am Pacific and lasts approximately 2 hours.

Tuesday, September 8th | Tuesday, September 15th
Tuesday, September 22nd | Tuesday, September 29th
