BID REQUEST FOR CONCRETE SERVICES

Bids Due COB March 25, 2022

The Nez Perce Tribal Hatchery (NPTH), Department of Fisheries Resources Management is seeking written bids from qualified businesses for a concrete addition to a fish rearing raceway at the Nez Perce Tribal Hatchery located at 18985 Hubbard Gulch, Juliaetta, Idaho, 83535.

SCOPE OF WORK: Work consists of adding a sloped concrete overlay to approximately 6' x 160' of failing rubber liner in a fish rearing raceway. This overlay will be adjacent to existing concrete walls and edging. Bids should include the design, supplies and materials (form materials, waterstop, re-bar reinforcements, joint sealer, etc..), delivery, placement and finish of concrete.

WORK WINDOW: The raceway will be empty from approximately Mid-April to September 1, 2022. **The concrete must be cured and water tight by September 1, 2022.** Site preparation prior to work will be coordinated with hatchery staff.

TRIBAL EMPLOYMENT RIGHTS ORDINANCE (TERO) REQUIREMENTS: Successful bids will be expected to be TERO compliant and are subject to a 3.5% fee of the total bid.

To schedule a site visit or request additional information, please call Scott Kellar at (208) 621-3502. Proposals, bids or responses will be accepted by mail, e-mail, or Fax by COB March 25, 2022.

Please Mail to: Scott Kellar, 18985 Juliaetta, ID. 83535.

Or E-mail to: (scottk@nezperce.org) or FAX to (208) 276-4461, Att. Scott Kellar.

Tax Exempt Federal ID will be provided to the winning bidder.
