Nez Perce Network Systems
KIYE 88.7 & 105.5*

The Nez Perce Tribe Department of Technology Services intends to solicit assistance from the Department of Defense's Innovative Readiness Training Program. This assistance will include Information Security maturity, resilience, and incident response projects to support the Nez Perce Tribe's cybersecurity needs. This assistance will take place at 120 Bever Grade in Lapwai Idaho from **01 June to 30 September 2024**. Contractors, labor unions or private individuals who have questions or who wish to voice opposition to the Idaho National Guard assistance for this project may contact Melissa King (melissak@nezperce.org) at the Nez Perce Tribe Department of Technology Services no later than 30 days after the publication of this notice. Persons not filing comments within this timeframe will be considered to have no comments or concerns regarding Idaho National Guard assistance to the Nez Perce Tribe Department of Technology Services and this project.
