

NPTHA Climate Pollution Reduction Grant (CPRG) Residential Energy Program Application
PO Box 188 Lapwai, ID 83540 | P: (208)843-2229 | F: (208)843-2973

Email: chloet@nezperce.org

Application cover page

The program will provide **Wood Stove Change Outs (WSCO)** and **weatherization services** (including, but not limited to, home energy audits, sealing air leaks, exterior wall installation, window and door stripping, limited window replacement, minor roof repair, air source heat pump installs, etc.) for qualifying homes to improve indoor air quality, reduce safety hazards, and increase energy efficiency for participating households. Our goal is to reduce greenhouse gas emissions in residential homes.

Who qualifies. Priority is as follows:

- Those who live on the NP reservation treaty of 1863 boundary (provide documentation of residence)**
- Tribal homeowners (Nez Perce Tribal members, provide tribal documentation)**
- Age 62+**
- Safety or structural concerns**

HOMEOWNER

A homeowner may complete this application on their own behalf. The homeowner's signature is required for program eligibility, approval, and authorization of services.

RENTER

If the applicant is a renter, both the renter and the homeowner/landlord must complete all applicable sections of this application. The homeowner/landlord must complete and sign the required certification section of this application as a condition of eligibility and program approval.

We will contact you regarding the status of your application within two weeks of receiving your completed application. Contact us if you need assistance completing this application.

Approved on: 3/10/26

HOMEOWNER CERTIFICATION
Signature clause

Homeowner Certification (regarding consent)

Please initial each item below to indicate your consent regarding access, education, photo/video and weatherization (note: additional contracts may require further authorization):

Access

_____ I agree to allow the NPTHA CPRG Residential Energy Program employees access to my home for necessary initial assessments and post assessments, including the duration deemed necessary during contractual work.

_____ I agree to provide reasonable access to my home for the NPTHA CPRG Residential Energy Program’s approved contractors to complete all approved weatherization work deemed necessary.

_____ Furthermore, if I’m unable to be present, I will inform the NPTHA CPRG Residential Energy Program of further access to my home for both the NPTHA CPRG Residential Energy Program employees and approved contractors. Consenting to this may be verbally and/or written. This portion is to avoid any delay in providing work completion.

Education

_____ I acknowledge and agree to receive education and informational materials provided through the NPTHA CPRG Residential Energy Program, including but not limited to topics related to weatherization, wood stove change outs, energy efficiency measures, and the reduction or elimination of greenhouse gas emissions.

Photo/Video

_____ I give consent for the NPTHA CPRG Residential Energy Program to take photographs and/or video of my home and surrounding areas on my property for program documentation purposes.

Weatherization

_____ I agree to allow the NPTHA CPRG Residential Energy Program’s approved contractors to install an air intake, which may require cutting a hole in a wall and/or floor as necessary for proper airflow for safe and effective wood stove operation. **(The hole will be sealed according to code)**

_____ I agree to allow the NPTHA CPRG Residential Energy Program’s approved contractors to install an air source heat pump if needed, to allow heating/cooling for my household, which will require cutting a hole in a wall for proper installation.

_____ I agree to allow the NPTHA CPRG Residential Energy Program staff to install a Smoke + Carbon Monoxide Alarm and Smoke Alarms as needed.

_____ Additionally, I authorize the NPTHA CPRG Residential Energy Program to access my utilities to gain information pertaining to monthly usage throughout the term of this grant.

I certify that I am the legal owner of the property listed above or have the legal authority to approve the work described. I understand the scope of work may involve structural modifications necessary to complete weatherization improvements safely and effectively.

I understand that the NPTHA CPRG Residential Energy Program is relying on this information to verify my household’s eligibility for program assistance. I certify that all information and answers to the questions contained in this application are true and complete to the best of my knowledge. I consent to release the necessary information to determine my eligibility including minors who reside in the home. I understand that providing false information or making false statements is considered grounds for denial of my application. I also understand that such action may result in criminal penalties. I authorize my consent to have the program verify information contained in this application for purposes of providing my eligibility for assistance provided by the program. I will provide all necessary information including source(s) of income, names, addresses, phone numbers, where applicable and any other information required for expediting the application process. I understand that the processing of this application will require providing personal information to the program. I understand that acceptance is agreeing and abiding by applicable program requirements and policies as they now exist or as they may hereafter be revised OR ADDED by the program.

Homeowner’s signature: _____ **Date:** _____

(ONLY COMPLETE THIS PORTION IF YOU OWN A WOOD STOVE)

I certify the following under the penalty of perjury by signing below:

I understand that providing false information on this application constitutes fraud and will include, but is not limited to, disqualification from participating in this project and from future wood stove change outs. My existing wood stove is currently located at the physical address provided above. It is operable and regularly used as our main source of heat. I understand that the new device must be installed by a NPTHA CPRG Residential Energy Program participating vendor and installer. I understand that I may not keep or sell the **old** wood stove, and the installer will take the old wood stove to an approved recycling facility. I agree not to replace this **new** heating device with a non-certified wood stove or other solid fuel device during the expected lifetime of this new device. I will operate this new heating device in accordance with the manufacturer's instructions and will follow proper burning practices received from the Participating Vendor and EPA Burn Wise educational materials. I understand that proper stove installation, operation, burning practices, and yearly maintenance are critical to the effectiveness of this new device. I will not burn pressure-treated wood, garbage/trash, plastic, or any other prohibited materials. For wood stove/inserts, I will only burn

clean, dry natural firewood (seasoned for at least 6 months) or commercially designed fire logs approved for wood stoves in this new device. I understand that the NPTHA CPRG Residential Energy program does not warrant any devices purchased under this program, including, but not limited to the quality, functionality, or satisfaction of the device. All warranties are through the stove manufacturer and installer. I agree to hold harmless the NPTHA CPRG Residential Energy Program, employees, and agents from all loss, damage, or liability that arises out of or is in any way connected with installation or use of the device installed under this program. I agree to allow access to my home to the NPTHA CPRG Residential Energy employees and contractors performing the woodstove changeout. I certify the statements and information in this homeowner application are true, accurate, and complete.
