Executive Direction Construction Management
Request for Proposal
HAZARDOUS MATERIAL ANALYSIS
Proposal Date 12 JUN 26 – 3:00 p.m.

BACKGROUND INFORMATION - The Nez Perce Tribe (NPT) is charged with returning the Kamiah Judicial Building to productive use. A fire from the adjacent building has caused roof damage. As a result of the roof damage, hazardous mold has a significant presence. The Nez Perce Tribe is seeking a Hazardous Material Analysis for mold and possibly asbestos materials within the building. Must be licensed in the State of Idaho.
