NEZ PERCE TRIBAL HATCHERY LAMPREY METAL BUILDING 42' X 12' X 14'

LOCATION: Nez Perce Tribal Hatchery
18985 Hubbard Gulch, Juliaetta ID 83535

This project consists of the removal, disposal and replacement of damaged sections of the metal pole building. The building was damaged during a windstorm which caused a tree to fall on the building. The building should be repaired with matched color sheet metal on the roof and walls.

The general requirements of this project include:

1. Nez Perce Tribal Employment Rights Office (TERO) compliance as described later in this document (if greater than \$15,000).
2. Design displaying the building walls and roof.
3. Removal and disposal of all broken metal from the original building.
4. Repair an open style 42' X 12' X 14' metal building.
5. All work areas will be cleaned up to the satisfaction of the Nez Perce Tribal Hatchery Manager at the end of the project, and as requested during construction.
6. The Nez Perce Tribal Hatchery Manager and General Contractor will conduct final approval of the project prior to closing out the contract.

GENERAL CONTRACTOR REQUIRED SERVICES AND EQUIPMENT:

1. The contractor will provide or subcontract for:
 - a. Removal and disposal of the old sections of the building.
 - b. All building materials color matched with the repair of a 42'X 12' X 14' metal building.
 - c. Guarantee all parts and labor for the first year of use.
2. The contractor shall be fully responsible for any cost or expenses that exceed the agreed-upon contracted amount. Any additional costs incurred beyond the contract sum shall be borne entirely by the contractor, unless otherwise mutually agreed upon in writing.
3. The contractor shall be responsible for providing any required payments or deposits before the commencement of the project if the project cost is more than \$15,000. This includes, but is not limited to, any advance fees, TERO contract amount (3.5%), or other pre-project financial obligations. The project will not begin until all necessary payments have been made as agreed upon in the contract.

TRIBAL EMPLOYMENT RIGHTS OFFICE REQUIREMENTS:

This project is subject to administrative requirements set forth by the Nez Perce Tribe's Tribal Employment Rights Office (TERO): Please display the 3.5% fee as a dollar amount as a line item and within the total amount of the bid.

- A fee of 3.5% of the total contract amount must be paid by the General Contractor to the TERO office prior to beginning work activities. Fee can be paid to: Nez Perce TERO Program, PO Box 365, Lapwai ID 83540.
- A TERO Compliance Plan and Agreement (Plan) must be submitted by the General Contractor and approved by the TERO office prior to beginning work activities. The terms of the Plan as approved by TERO must be followed by the General Contractor and their Subcontractors hired for this project. The General Contractor is responsible to provide copies of the Plan to all their Subcontractors and Suppliers.
- Subcontractors must submit their own Plan prior to any work activities they will be involved in and comply with the terms of their approved plan.
- The General Contractor and all Subcontractors are required to attend a TERO Preconstruction meeting prior to beginning work activities. The General Contractor is responsible for contacting the TERO office to schedule the meeting and notify Subcontractors. All supervisory personnel listed by the General and Subcontractors are required to attend the Preconstruction meeting.
