

THE CLIMATE POLLUTION REDUCTION GRANT *RESIDENTIAL ENERGY PROGRAM*

WHO QUALIFIES

Those who live on the NP reservation treaty of 1863 boundary.

Priority is as follows:

- Tribal homeowners (Nez Perce Tribal members)
- Age 62+
- Safety or structural concerns

WHAT WE DO

The program helps those who qualify receive :

- Weatherization, which includes but not limited to: home energy audits, sealing air leaks, minor roof repair, air cleaners, Smoke + Carbon Monoxide (CO) alarm installs, and energy efficient upgrades such as installation of air-source heat pumps
- Upgraded wood stoves 20+ years and older

HOW TO APPLY

- Complete and sign the CPRG R.E. application (manual or fillable)
- Submit in-person or through email

The CPRG grant was awarded to the Nez Perce Tribe in 2024, and the PCAP (Priority Climate Action Plan) Measure 1 project grants assistance to homeowners with specific energy efficient upgrades. This program will be a 4-year project, and it will be serving approximately 500 homes. **The grant aims to provide homes with upgrades that enhance air quality and installations that decrease emissions for a safe environment inside and outside of the home.**
